Fairways at Cranford Now Leasing: A New Chapter Begins at 750 Walnut Ave

By Briana S. April 3, 2025 4:14 pm No Comments

We're excited to share that Fairways at Cranford—the brand-new residential community at 750 Walnut Avenue—is officially complete and now leasing!

Developed by Hartz Mountain Industries and built by March Associates Construction, this thoughtfully designed property offers 250 upscale apartment homes across two buildings, each 149,000 square feet.

Designed by Minno & Wasko, the project brings a fresh, modern feel to a site that was once home to an aging office complex.

The Fairways offers one- and two-bedroom layouts with stylish interiors and top-tier amenities including:

- Landscaped courtyards with grilling stations
- Resident lounges and clubrooms with outdoor access
- A fully equipped fitness center and movie room
- Coworking pods and private meeting rooms
- On-site parking with EV charging stations

With 20% of the units designated as affordable housing, this community reflects Hartz Mountain's commitment to both quality and accessibility.

Plus, its location next to the Hyatt Hills Golf Complex and proximity to NJ Transit's Cranford station adds convenience and charm for residents seeking suburban serenity with easy access to the city.
